

ERIC MUSSEN PUBLICATIONS, CATEGORY 1

- 1975 Furgala, Basil, R. A. Hyser, and E. C. Mussen. Enzootic levels of *Nosema* disease in untreated and fumagillin treated apiaries in Minnesota. *American Bee Journal* 113(6):210-212.
- 1974 Mussen, Eric C. and H. C. Chiang. Development of the picnic beetle, *Glischrochilus quadrisignatus* (Say), at various temperatures. *Environmental Entomology* 3(6):1032-1034.
- 1975 Mussen, E. C., B. Furgala, and R. A. Hyser. Enzootic levels of *Nosema* disease in the continental United States (1974). *American Bee Journal* 115(2):48-50.
- 1975 Mussen, E. C. and B. Furgala. Benomyl ineffective against *Nosema apis*. *American Bee Journal* 115(12):478.
- 1977 Mussen, E. C. and B. Furgala. Replication of sacbrood virus in larval and adult honeybees, *Apis mellifera*. *Journal of Invertebrate Pathology* 30:20-34.
- 1978 Furgala, Basil and Eric C. Mussen. Chapter 4. Protozoa, pages 63-77. In Roger A. Morse (Ed.), *Honey Bee Pests, Predators, and Diseases*. Cornell University Press.
- 1978 Mussen, Eric C. Honey bees and pesticides -- general guidelines for beekeepers establishing or operating apiaries in California. *American Bee Journal* 118(12):794-795.
- 1978 Mussen, E. C. and N. Gary. Western Apicultural Society is growing. *American Bee Journal* 118(2):84-85. (Not available)
- 1978 Mussen, E. C. and N. Gary. Super vacation package for beekeepers. *American Bee Journal* 118(7):453-454. (Not available)
- 1984 Gary, Norman E. and Eric C. Mussen. Impact of Mediterranean fruit fly malathion bait spray on honey bees. *Environmental Entomology* 13:711-717.
- 1985 Shehata, Sabry and Eric Mussen. Determination of consumer preferences and attitudes toward honey in the U.S. market. *American Bee Journal* 125(7):500-505.
- 1990 Furgala, Basil and Eric C. Mussen. Protozoa, pages 48-63. In Roger A. Morse and Richard Nowogrodzki (Eds.), *Honey Bee Pests, Predators, and Diseases*, Second Edition. Cornell University Press.
- 1991 Liu, T. P., C. Y. S. Peng, E. C. Mussen, J. M. Marston and R. J. Munn. Ultrastructure of the freeze-etched spore of *Ascospaera apis*, an entomopathogenic fungus of the honeybee *Apis mellifera*. *Journal of Invertebrate Pathology* 57(3):371-379.
- 1991 Liu, T. P., C. Y. S. Peng, E. C. Mussen, J. M. Marston & R. J. Munn. In vitro activity of 15-azasterol (A25822B) against chalkbrood pathogen *Ascospaera apis* in the honey bee. *Mycopathologia* 115:175-184.

- 1992 Peng, Ying-Shin Christine, Eric Mussen, April Fong, Mary Ann Montague, and Tim Tyler. Effects of chlortetracycline of honey bee worker larvae reared *in vitro*. *Journal of Invertebrate Pathology* 60:127-133.
- 1992 Mussen, Eric C. Social wasps and honey bees, pages 254-255. In *Grape Pest Management*. University of California, Division of Agriculture and Natural Resources Publication 3343.
- 1994 Mussen, Eric C. Honey Bee Education Posters (#6). Contributor of female, ethnic minority photograph. University of California, Division of Agriculture and Natural Resources Publication 21501.
- 1995 Humphrey, S. and E. Mussen (Project Coordinators). *Small Farm Handbook*. University of California, Division of Agriculture and Natural Resources Publication SFP001. 180 pages.
- 1996 Peng, Christine Ying-Shin, Eric Mussen, April Fong, Paul Cheng, Geary Wong, and Mary Ann Montague. Laboratory and field studies on the effects of the antibiotic tylosin on honey bee *Apis mellifera* L. (Hymenoptera: Apidae) development and prevention of American foulbrood disease. *Journal of Invertebrate Pathology* 67:65-71.
- 1997 Montague, Mary Ann and Eric C. Mussen. Entomology's contribution to "Adopt a Scientist - UCD." *American Entomologist* Fall:138-141.
- 1998 Williams, Jeffery R., Christine Y. S. Peng, Ronald Y. Chuang, Roy H. Doi, and Eric C. Mussen. The inhibitory effect of azadirachtin on *Bacillus subtilis*, *Escherichia coli*, and *Paenibacillus* larvae, the causative agent of American foulbrood in the honeybee, *Apis mellifera* L. *Journal of Invertebrate Pathology* 72:252-257.
- 1999 Mussen, E. C. Beekeeping. In Francis, Frederick, Editor: *Wiley Encyclopedia of Food Science and Technology*, 2nd Edition. John Wiley & Sons, Inc. New York, NY. Pg. 148-153.
- 1999 Mussen, E.C., M.S Spivak, D.F. Mayer and M.T. Sanford. Bee pollinators in your garden. *American Association of Professional Apiculturists, Technical Bulletin No. 2*.
- 1999 Mussen, E.C. Integrated Pest Management for Stone Fruits. *Managing Bee and Pesticide Hazards in DANR Publication #3389*, pp. 33-34, 47-48.
- 2000 Mussen, E. C. and R. W. Thorp. Beekeeping in California. *Honeybee Science (In Japanese)* 21(1):1-8 .
- 2000 Miyagi, T., C.Y.S. Peng, R.Y. Chuang, E.C. Mussen, M.S. Spivak and R.H. Doi. Note: Verification of oxytetracycline-resistant American Foulbrood Pathogen *paenibacillus* larvae in the United States. *Journal Invertebrate Pathology*, 75:95-96.
- 2000 Peng, C.Y.S., S. Trinh, J.E. Lopez, E.C. Mussen, A. Hung and R. Chuang. The effects of azadirachtin on the parasitic mite, *Varroa jacobsoni* and its host honey bee (*Apis mellifera*). *Journal of Apicultural Research* 39:159-168.

- 2000 Mussen, E.C. Antibiotic-resistant American foulbrood. *American Bee Journal*, 140: 300-301.
- 2001 Mussen, E.C. Introduction, spread and economic impact of tracheal mites in North America. In T. Webster and K. Delaplane, Editors: *Mites of the Honey Bee*. Dadant & Sons, Inc. Hamilton, Illinois, pg. 43-56.
- 2002 Mussen, E. C. Apiculture. In Editor Joel Mokyr: *The Oxford Encyclopedia of Economic History*. Oxford University Press, New York, NY. pp. 145-14631.
- 2002 Mussen, E.C. Chapter 12: Honey Bees. In Meyer, R.P. and M. B. Madon, eds., *Arthropods of Public Health Significance in California*. Mosquito and Vector Control Association of California, pages 117-120.
- 2004 Mussen, E. C. and Montague, M.A. Fungicide Impacts on Almond Pollen Germination and Tube Elongation Through the Pistils. Web site:
entomology.ucdavis.edu/faculty/facpage.cfm?mussen.
- 2004 Mussen, E.C., Peng, C.Y.S., and Lopez, J.E. Effects of Selected Fungicides on Growth and Development of Larval Honey Bees, *Apis mellifera* L. (Hymenoptera: Apidae). *Journal of Environmental Entomology* 33(5): 1151-1154.
- 2006 Mussen, E.C., "Commercial Beekeeper," in Paul R. Greenland, Editor, *Career Opportunities in Conservation and the Environment*. Three pages, winter of
- 2007 Kevan, Peter G., Eisikowitch, D., Kinuthia, W., Martin, P., Mussen E.C., Partap, U., Taylor, O.R., Thomas, V.G., Thorp, R.W., Vergara, H., and Winter, K. High quality bee products are important to agriculture: why, and what needs to be done. *Journal of Apicultural Research* 46(1):59-64.
- 2007 Sullivan, M. (submitted by E. C. Mussen). *Science in the Workplace*. Career of the Month: Honey Bee Scientist. *The Science Teacher* 74(3): 64-65.
- 2007 Mussen, E.C. Honey Bees in California. In Mary Bianchi: Editor, *Topics in Subtropics Newsletter* 5(1): 5-7.
- 2007 Mussen, E. Colony Collapse Disorder. *American Bee Journal* 147(7): 593-594.
- 2007 Mussen, E. Food For Thought. *Bee Culture* 135(7): 21-22.
- 2007 Mussen, E.C. Starting a Small Beekeeping Operation. Revision for Small Farm News and Web site.
2008. Monheit, S., Mussen, E.C. and Johnson, M.L. Effects of contacts and oral exposure to formulated CheckMate[®] LBAM-F and unformulated LBAM mating pheromone on honey bees, *Apis mellifera* (Hymenoptera: Apidae). Final report submitted to the California Department of Food and Agriculture, November 18, 2008
